

LILALOKA NEWS, C'EST PARTI !

LILALOKA, IT'S MORE THAN 12 ACTIVITIES NOW AND LATER

Lilaloka already offers several activities:

- Creations in the sandbox or « World game »
- Recreational horse riding for different-abled children
- Creation and publication of books and games
- Nature's Theatre
- Play of painting
- Evolving games
- Introduction to integral education

Activities to come :

- Creative Radio
- Guided meditation and relaxation
- Individual play sessions
- Magical garden : awareness activities on nature and its messages
- Training for students and educators
- Specialised library for children with puppet Theatre, storytelling...

WHERE ARE WE AT NOW ?

- **September 2009** : Birth of Lilaloka.
- **February 2011** : Obtention of the land.
- **August 2012** : Obtention of the building permission.
- **August - September 2012** : Finalising of architectural drawings. Realisation of a model.
- **Mid - October 2012** : Starting of the **construction of phase 1**.

Phase 1 of Lilaloka, it's :

- The **construction of buildings**, i.e. **260 m²** (Architect: Meera Prajapathi) :
 - ✓ Main building which gathers several activities
 - ✓ Ecological Hall
 - ✓ Ecological collective toilets

- ✓ Storeroom and simple house for the care-taker
- The realisation of the magical garden.
- The **implementation of the following activities** : play of painting, individual play sessions, creations in a sandbox, with the possibility of the activities like creative radio, guided relaxations, nature's Theatre and evolving games.
- **In 2014** : Construction of **phase 2** (collective activities hall, sound cave, care-taker house, small kitchen for welcoming people and meetings).
- **In 2016** : Construction of **phase 3** (library - ludothèque, small pool).
